Dear Parents

January 2012

Ski Visit to Morzine, France, Easter 2013

Our ski visit in the year 2013 will be during the Easter holiday, visiting the superb high level resort of Morzine in France. Our school ski visits are always very popular and provide an excellent introduction to an exhilarating activity, as well as being much enjoyed by those who have skied before. We believe this is a valuable activity holiday for the girls who experience a demanding and fulfilling week, learning to ski in beautiful surroundings, enjoying each other's company and acquiring a degree of resourcefulness away from home.

Please note that skiing is a strenuous sport requiring a degree of physical fitness and courage. This will be a demanding week with the emphasis on learning to ski. Those who recognise and respond to the challenge of the week will enjoy a unique experience, but it is not a holiday for the faint-hearted! Please confirm on the reply slip that you have made this clear to your daughter, and that you consider she is able to cope with the demands of the visit.

We believe in the value of some ski tuition before the visit itself, so we require that all beginners sign up for a course of lessons at a dry ski slope. This will be arranged by the school and will enable novices to gain maximum benefit from their time on snow.

It is the policy of the school that students travel on their own passport, so please ensure that your daughter has a valid passport for the duration of the visit. All party members are also required to have a current EHIC card, the reciprocal health treatment agreement with European countries.

If you would like to reserve a place for your daughter, please return the reply slip below with your first deposit for £100, in a sealed envelope marked with your daughter's name, form and 'Ski 2013' and return to Mrs Anderson via the Finance Office letterbox by **Monday 6 February 2012**. Cheques should be made payable to 'Chichester High School for Girls'. Details of further payments are given in the information attached. If the visit is over-subscribed, priority will be given to older pupils. If you have any queries please contact me at school.

Yours sincerely,

Miss K. Eames
