

Together we aspire,
Together we achieve

CHICHESTER HIGH SCHOOL FOR GIRLS

SPECIALIST IN ARTS & SCIENCE

HEADTEACHER:
FIONA OLIVER-WATKINS BSc, PGCE, MA (Ed)

January 2012

Dear Parent / Guardian

Please find enclosed your daughter's written report, together with a copy of her mock examination results. As advised previously, there has been a delay in the issuing of this information due to significant problems with our Information Technology Systems. Consequently, some of the written targets relating to January examinations may be out of date. Please be assured that your daughter's subject teachers will have shared forthcoming examination related targets and other targets with your daughter during lessons.

Please note that if the Projected Grade is below the Target Grade in any subject your daughter may be underachieving. If this is the case, it is a cause for concern and we would ask for your help in addressing this.

The main exam period is fast approaching and it is crucial that your daughter heeds the advice of her subject teachers if she is to fulfil her potential. If applicable, she must also complete and hand in any outstanding coursework, and attend all scheduled intervention and revision sessions. **Most importantly, she must ensure that she attends school and Registration every day in order to take full advantage of the extensive support and guidance that is available to her.** It is most definitely not too late for your daughter to improve her Projected Grades.

I would urge you to discuss this report with your daughter, celebrate her strengths and help her to identify priorities and action points for improvement where necessary.

Your daughter will have the opportunity to discuss her progress, attainment and set targets for improvement with her tutor during the Tutor Review Period of 30th January – 24th February. You will receive further information about your daughter's attainment and progress in March.

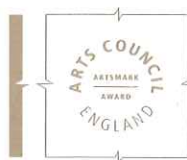

An Examination Information Session for parents is planned for Wednesday 28th March from 6.00 p.m – 7.00 p.m. If you are able to attend, this will give you an opportunity to find out about the main GCSE examination process in school and highlight ways in which you can further support your daughter throughout this challenging time.

In the meantime, I would like to draw your attention once again to the school's Virtual Learning Environment. This can be accessed via our website and contains a wealth of learning and revision resources which will help your daughter to succeed.

Thank you for your continued support.

Yours sincerely

Mrs L. Gibson
