SUMMER OPTION FOR UNIFORM

Points of clarification

Pupils are allowed to wear the summer option for uniform from the first day of the Summer term until 1st October.

The Summer Option is

- No blazer (leave it at home).
- School polo shirt instead of a white blouse. Pupils may wear this untucked.
- Plain black tights or **white ankle socks**. Footless tights are **not** allowed.
- **Knee length** school skirt (with front pleat) or tailored navy trousers.
- School v-neck jumper if pupils are cold in school, or travelling to and from school. (Cardigans and hoodies are **not** allowed).
- Black school shoes. They should be **completely** black. Fabric shoes and trainers are **not** allowed. Laces **must** be black. Sandals are **not** allowed.
- Jewellery - only one pair of small hoop or stud earrings is allowed. Earrings must be worn **in the ear lobes**. Other piercings are **not** allowed. Jewellery other than earrings will be confiscated until the end of the year.
- Nail varnish, extravagant hair styles and accessories, e.g. flowers, braids are not allowed.

N.B. If pupils do not want to wear the summer option uniform, they should be in standard school uniform. This means that **they wear a blouse and a blazer at all times (jumper optional), with black tights and black shoes.**

To test if a skirt is knee length, pupils should kneel down. The skirt should touch the floor. If the skirt is too short, pupils will be asked to get a 'new' skirt or to wear trousers.

Correct school uniform should be worn in school and travelling to and from school. Any other non-uniform items, e.g. belts, hoody, cardigan will be confiscated until the end of the school year.
